Entered second class mail at Charleroi, June 12, 1900, according to Act of Congress of March 3, 1879

VOL. X. NO. 162.

CHARLEROI, WASHINGTON CO., PA., SATURDAY, FEBRUARY 26, 1910.

One Cent

DEPOSITORS WILL RECEIVE DIVIDEND OF 60 PER CENT

Hon. W. E. Crow, Receiver
for Coal Center Bank
Makes Announcement.

TOTAL PAID OUT \$40,000

Individual Claims Average up to
\$5,000—Other Dividends
May Be Declared

Hon. W. E. Crow, receiver for the defunct Coal Center bank, is making preparations to pay the first dividend to the depositor. The dividend which will be 60 per cent, will be issued within the next two weeks, the money to be paid from the coffers of the People's National Bank of California. There were about 500 depositors of the bank, whose savings represented small amounts up to about \$5,000. The sum of \$40,000 will be distributed. The announcement of the dividend will come as glad tidings to the various depositors, many of whose savings represented a lifetime of self-denial, and whose all was lost when the institution was closed.

The Coal Center bank was closed in January, 1909, mismanagement being given as the reason. Hon. W. E. Crow of Uniontown was appointed receiver and has since been busily employed shaping things up for the issuing of a dividend. It is likely that other dividends will be issued within the next year.

HIGH CLASS MUSICIANS TO APPEAR ON TUESDAY

The music lovers of the valley are to be favored with a very fine concert which is to be held in the School Hall, Charleroi, on Tuesday, March 1, 1910, given under the auspices of Charleroi Lodge No. 494, B. O. P. Elks. The principals are all well known performers and come highly recommended, and the people of Charleroi and neighboring towns ought to feel proud that such high class artists are to be here at one time.

Mrs. Charles Farrow Kimball, solo soprano of the Third Presbyterian church, Pittsburg, is already known in Charleroi, where she appeared as soloist with the Cornell Male chorus. She delighted a large audience with her magnificent rendition of "O Don Estale," and captivated all from the start with her charming personality and the ease with which she sang. Mrs. Kimball is well known in her oratorio and recital work, having appeared with all the prominent choral societies of the country.

Miss Christine Miller, contralto, is probably better known to the people of Pennsylvania than any other singer, being a Pittsburg. She has been solo contralto at the Third Presbyterian church, Pittsburg, for the past eight years, which is quite a record according to the musical critics. She has appeared four times with the Pittsburg orchestra as soloist, both under Victor Herbert and Emil Paur, also with the Minneapolis, Cincinnati and St. Louis orchestras.

David Stephens, tenor, and John Roberts, basso, will also assist. Mr. Stephens is the well known Welsh tenor of Pittsburg, and Mr. Roberts is equally famous in that city. Joseph Wheeler, violinist, will assist.

CHARLEROI MAN BUYS NEW SHOE STORE IN DOWN RIVER TOWN

Store to His Already Large Business.

By the acquisition of the Star Shoe Corner at Braddock this week, Adolph Beigel, of Sample Shoe Store fame in Charleroi and the upper valley, becomes the owner of his third shoe store. For a youth of 23 summers, or winters, rather, this is going some. Adolph's stores and locations are now as follows:

Sample Shoe Store, Charleroi.
Economy Shoe Shop, Monaca.
Star Shoe Corner, Braddock.

Adolph took possession of his new purchase Monday and immediately started a gigantic sale in order to clean out the \$15,000 stock that was in the store when it changed hands. As soon as this is disposed of the store will be remodeled and fitted up with the latest modern shoe appointments, and a much larger stock will be carried.

The Star Shoe Corner is one of Braddock's oldest and best known shoe stores. It is located at the corner of Ninth street and Braddock avenue, the main business streets of the town, and has been doing business for 25 years. It has a large and well established trade, which the hustling business methods of Adolph will not doubt largely increase. It will be under the management of Joe Beigel, a brother of Adolph, but the latter will give it his close personal supervision. While his headquarters are in Charleroi, where his chief book-keeper transacts the clerical work of all the stores, Adolph divides his time between the three stores as occasion demands.

Adolph's success in the shoe business has been phenomenal, and he attributes it solely to his lavish use of printers' ink, and particularly when applied to the columns of the Mail.

"If I could always realize the same degree of results from every business venture I make as I do from my Mail ads, I would profit a hundred-fold on my investments," said Adolph, while speaking of his business success in this community. In a few months his Star Shoe Corner at Braddock will assume a business appearance that is a distinctive feature of Adolph's chain of shoe stores.

WILL BEGIN WORK PREPARATORY TO ENTERING ACADEMY

James Christy Roberts, the son of Mr. and Mrs. R. A. Roberts, of Crest avenue left this morning for Annapolis, Md., to take up preparatory work for entrance into the Naval Academy to which he was appointed by Congressman J. K. Tener some time ago.

On his journey Christy will stop off at Pittsburg for a brief visit, at Cumberland, Md., to spend a day, and at Washington, D. C., where he will be the guest of Congressman Tener. He anticipates no trouble at all in passing the examinations at Annapolis which admits him as a student. He may not get back home again for two years.

Last evening at the home of Mr. and Mrs. W. S. James on Lincoln avenue and Sixth street a farewell reception was tendered him by the Charleroi Boys' Brigade, of which he has been first lieutenant. Address was made by Capt. Jelliffe, of the company, by W. S. James and by W. D. Pollock. The members of the brigade were present in uniform.

AGREEMENTS PRESENTED BY BOROUGH COUNCIL BY SPECIAL COMMITTEE

The Mail has been requested to print the agreement entered into by the committee of council, and the one from the Fallowfield Milkmen's Association, as presented to council by the former committee. It follows in its entirety:

Third. Rule 6 to be amended to read: Cattle, especially their udders and flanks, shall at all times be kept in a clean and sanitary condition.

Fourth. The words "clean dry" in line eight of Section 5, printed ordinance, be stricken out and the word "good" to be substituted therefor.

Fifth. Section 8 to close with the word "milk" in tenth line and the words "each cow" stricken out of same.

TWO WEEKS PAY TODAY

Good Business Expected for
for Next Week by Char-
leroi Merchants

APPROXIMATED \$200,000

Today the mines in this section had their regular two weeks' pay and a large amount of money approximating \$150,000 to \$200,000 was placed in the hands of employes. This includes an estimate of the pay of the mines from California to Lock No. 4 in the Fourth Pool.

The Charleroi Coal mines had their monthly pay yesterday, while the Henderson, across the river, had their two weeks' pay last week. The Pittsburg Plate Glass works paid yesterday and Macbeth-Evans Chimney factory will disburse their usual weekly pay today. The Imperial plant paid last week.

The heavy pay at this time will mean much business for the merchants of Charleroi tonight and next week. Anticipating a heavy run, they have put their stock in the best shape. Much of the trade from California north to North Charleroi inclusive come to Charleroi, which is recognized as the center.

Visit Bier of Departed Friend.

Several Charleroi people went to McKeesport last evening to view the remains of the late Victor Shearer, formerly of this place. Those who went were Misses Agnes, Jane and Mary Moore, Nelle Tippins and Messrs. George Barnett, Burton Strood, Charles Stroud, Richard Hill, Jacob Tusher, William Holmes, Eli Hanned, William C. Fortney and Jack Ricker.

Birthday Party.

A very pleasant surprise party was given at the home of Mr. and Mrs. Geo. Hott on Oakland avenue Thursday evening in honor of their son's and daughter's Pearl and Earl's 16th birthday. Many games were played and a delightful lunch was served. Everybody reported a good time.

Lessons in Telegraphy.

Mrs. A. Dickinson, who has worked for the Western Union for years, recently resigned her position here owing to ill health, but expects to resume work in the spring, will give lessons in telegraphy at her home on Fifth Street from 6 to 9 during the next two months. Terms very low.

None under 15 years need apply. Inquire at 316 Fifth street, between Fallowfield and Washington avenues. 1551P

As your committee and the dairymen have reached an agreement upon all matters of dispute between them (the point of disagreement over the health officer being a matter which comes within the jurisdiction of the Charleroi board of health) we hereby recommend that council amend its ordinance No. 215 as above recited.

MUCH ANTICIPATION IN THE OPENING OF COYLE VAUDEVILLE

Theatre, Pittsburg, Being Booked Here.

Much interests centers in the opening of the vaudeville season at the Coyle Theatre next Monday. Since arrangements have been made to devote this popular play house to vaudeville during the coming summer months many favorable comments have been heard, particularly when it was learned that five acts would be given at the popular price of 10 cents, and that some of the biggest features on the vaudeville circuit would be included in each bill.

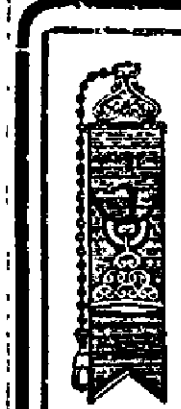

Vaudeville is the most popular form of amusement today in the theatrical profession. This is manifested everywhere by nearly all of the popular stars sooner or later going out to the vaudeville stage. The Grand, in Pittsburg, probably catches more Charleroi patronage than any other theatre in Pittsburg, as well as being the record breaker in attendance of any of the Pittsburg theatres. Ray Rush, who has leased the Coyle Theatre for the summer, expects to secure many of the leading attractions that appear at the Grand, and the people of this section will have an opportunity to enjoy good vaudeville and plenty of it right at home.

With two changes a week, and five acts in each change and three performances daily, the best features can be secured. This will be a rare opportunity for the theatre going public of this section, and indications point to record-breaking houses the opening Monday, when three performances will be given, one in the afternoon and two in the evening.

FUNERAL OF LOTT FISHER ON SUNDAY

The sudden death of Lott M. Fisher from injuries at the Donora Steel works, as announced in yesterday's paper, has been a sad blow to his many friends in Charleroi and other places along the valley. He was a young man of spotless integrity and exemplary habits, and a member of the First Christian church of Charleroi. The funeral services will be held on Sunday afternoon at 2 o'clock, from the late home, conducted by Rev. H. C. Boblitt of Charleroi.

Miss Ellen Clark entertained 30 young friends at the home of her parents, Mr. and Mrs. W. C. Clark on Crest avenue last night, in honor of her 10th birthday. A pleasant evening was spent and refreshments were served.

Tree Planting.

The Monessen Board of Trade has adopted a feature that will be well for all civic and town improvement societies to follow. This is the appointment of a "tree committee," whose duty it is to induce and aid property owners in planting trees about their premises and in public places for the purpose of improving and beautifying the town. No town needs such improvement more than Monessen, and if prompt action is taken along this line a few years hence will note a marked improvement in the appearance and comfort of the town.

In their eagerness to make money the promoters of many new towns lose sight entirely of the aesthetic element and make no provision for this feature so essential to home life and public well-being. The dreary and barren surroundings about the coal and industrial towns where a big mine or factory was opened, has much to do with the civic life and morality of the community. Pleasant homes and surroundings are conducive to sobriety and civic advancement, while squalid and uncomfortable environments have the contrary effect. This is the reason why Pennsylvania will be the last State to come into the "dry" column. Being the greatest industrial State in the Union, the material well-being of the people has been lost sight of in the scramble for wealth. With better material surroundings come better moral conditions. Tree planting is a move in the direction of better conditions, and Monessen's

FUNNY SITUATIONS

FEATURE OF SHOW

The attraction at the Coyle Theatre this evening will be the High Rollers Burlesque and up to the minute attractions with funny comedians and a chorus of handsome girls who give one of the best shows that has played this house for many a day. The show commences with a farce called "The Imposters," which is a laugh from start to finish. Then comes the olio, composed of several first-class acts, and then the burlesque which is a scream from start to finish. The music in the show is all the latest and most popular songs and with the sprightly chorus to help along the patrons are sure of a good evening's entertainment. As a special attraction, Cleo will give her version of the famous Cleopatra dance which created such a sensation at Hammerstein's roof garden in New York last summer.

Boat Yards May Move.

It is rumored that the Marine Ways, the famous and historical boat building yards at Elizabeth, may be moved to McKeesport. The Marine Ways belong to the River Coal company, which also has yards at McKeesport. It is stated that the coal company desires to concentrate its boat repair yards, and that if about ten acres more can be secured along the river front at McKeesport, the yards will be moved there from Elizabeth. They employ from 500 to 1,000 men.

DO IT NOW

Charleroi People Should Not Wait Until It Is Too Late.

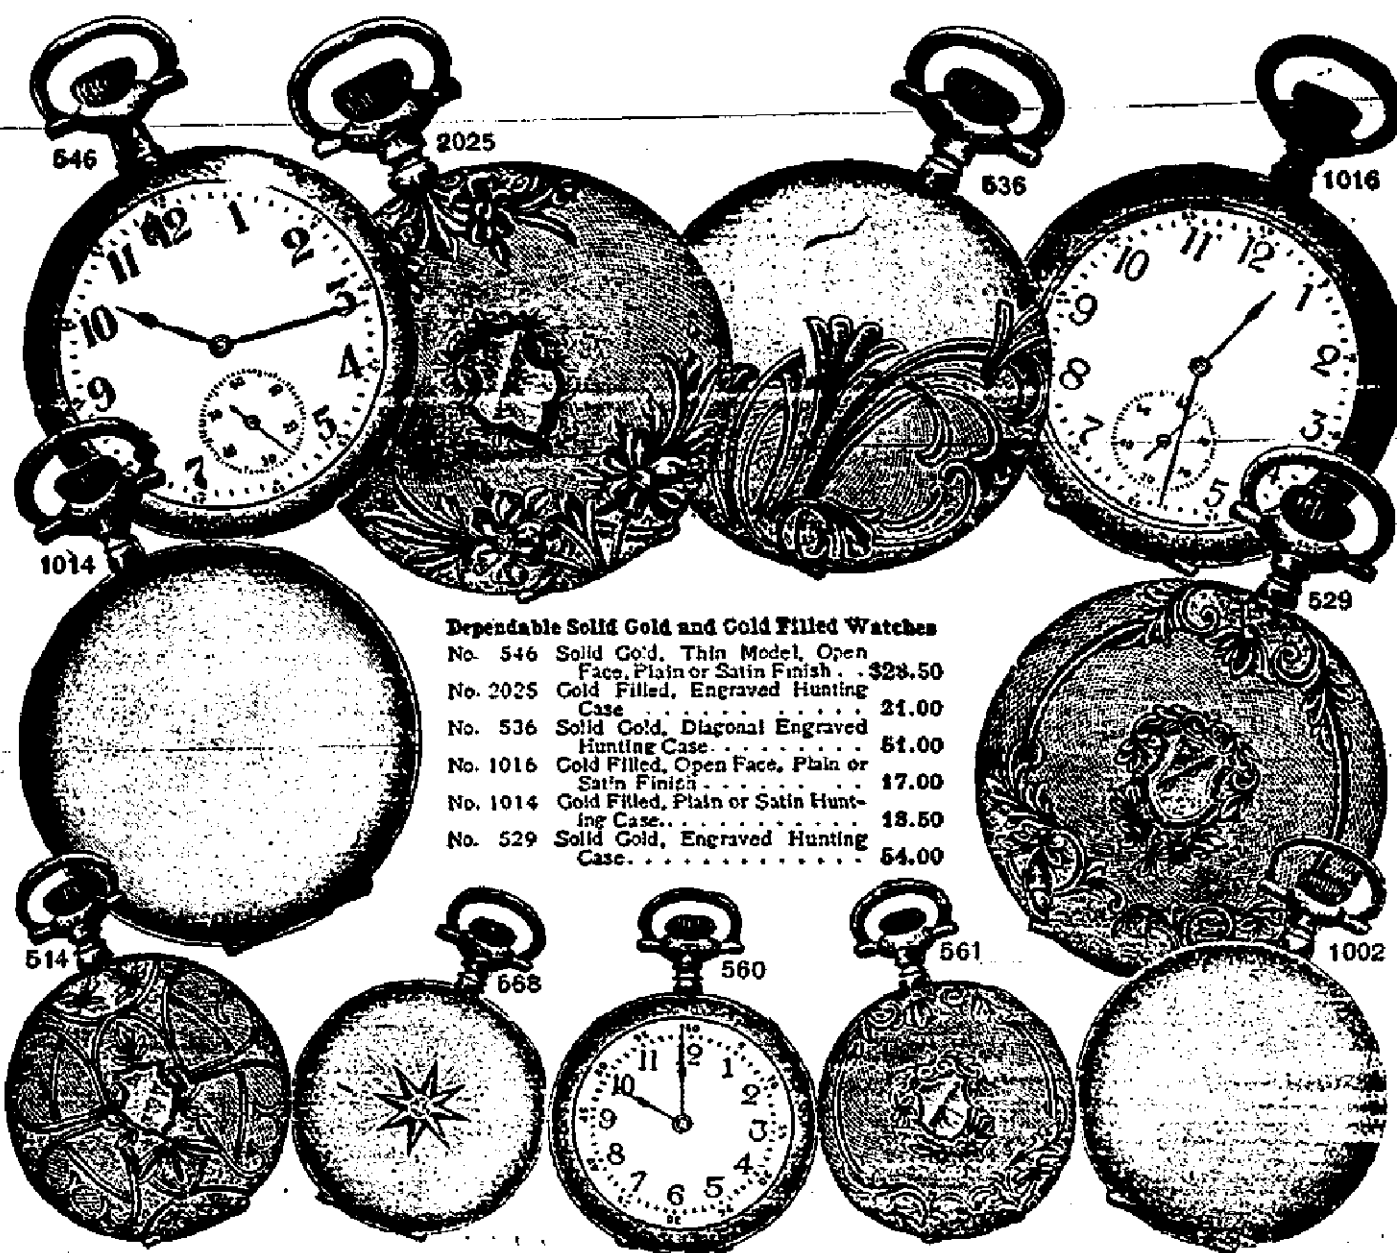

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

FUNERAL OF MRS. INGOLD YESTERDAY LARGELY ATTENDED

The funeral of Mrs. Caroline Phillips Ingold, which was held from the home of the parents, Mr. and Mrs. R. S. Phillips, of Washington avenue yesterday afternoon at 2 o'clock, was largely attended, numerous friends from Charleroi and other places paying their last respects to the deceased. The services were conducted by Rev. H. C. Boblitt, of the First Christian church, Rev. I. N. Frye, former pastor here, and Rev. Bennett of California.

There was a beautiful floral display, friends having contributed wreaths and bunches of flowers. The pall bearers were Burgess George W. Risbeck, William E. McGinnis, George H. Cheeseman, J. R. Huston, Charles Bateman and J. W. Cornell. Five girls, friends and chums of the deceased, were the honor pall bearers. They composed five of "The Six" a sort of girl's club of which Mrs. Ingold was a member. These were Misses Nellie Scott, Lomas Walton, Edna Mc Masters, Jennie Hornell, and Blanche Geho. Several accompanied the body to the cemetery at Monongahela.

Flood Tests Being Made.

Tests being made at the headwaters of the Monongahela and Allegheny river will determine largely the extent of the preparations which must at some time in the future be made for protection against floods. Three parties of engineers are at work in the mountains of West Virginia and four in the northern counties of Pennsylvania. A large part of the work of the men just now is gauging the water being poured out by tributaries of Pittsburgh's two rivers as a result of melting snow.

Card of Thanks.

We desire to extend our heartfelt thanks to our friends and neighbors who so kindly offered their assistance and sympathy in our bereavement in the death of wife and mother. We also wish to thank them for the beautiful flowers.

A Speedy Cure for

Constipation, Biliousness, Dyspepsia, Indigestion, Liver Complaints, Tired Feeling, Bad Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodline Liver Pills" act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills in old and chronic cases of constipation and indigestion, act at once, without griping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, produced by other cathartic remedies.

"Bloodline Liver Pills" restore the deranged and torpid liver to its normal condition and healthy action. Remove and prevent constipation by securing a natural and regular operation of the bowels, and relieve those unpleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bowels. To assist in attaining this end, the following suggestions are offered.

REMARKS. Everyone who uses pills for their action on the liver, should know that large doses rarely prove as satisfactory as small ones. Large doses simply purge and pass out of the system, usually leaving the bowels constipated and indolent, removing the cause of the trouble, or improve the general health. On the other hand, small doses develop the alterative effect of the medicine, do not irritate or constipate the bowels, but gently stimulate the liver and prevent the accumulation of bile by directing its flow into the proper channels. Therefore this is the actual remedy by taking one or two pills at bed-time and increase dose as necessary.

CURE.—I find your "Bloodline Liver Pills" the most effective pill I ever used. They came as gripping or constipative after effect as most liver pills do. Yours truly, MRS. AMADA RICHARDSON.

DEPOSITORS WILL RECEIVE
DIVIDEND OF 60 PER CENTHon. W. E. Crow, Receiver
for Coal Center Bank
Makes Announcement

TOTAL PAID OUT \$40,000

Individual Claims Average up to
\$5,000—Other Dividends
May Be Declared

Hon. W. E. Crow, receiver for the defunct Coal Center bank, is making preparations to pay the first dividend to the depositor. The dividend which will be 60 per cent, will be issued within the next two weeks, the money to be paid from the coffers of the People's National Bank of California. There were about 500 depositors of the bank, whose savings represented small amounts up to about \$5,000. The sum of \$40,000 will be distributed. The announcement of the dividend will come as glad tidings to the various depositors, many of whose savings represented a lifetime of self-denial, and whose all was lost when the institution was closed.

The Coal Center bank was closed in January, 1909, mismanagement being given as the reason. Hon. W. E. Crow of Uniontown was appointed receiver and has since been busily employed shaping things up for the issuing of a dividend. It is likely that other dividends will be issued within the next year.

HIGH CLASS MUSICIANS
TO APPEAR ON TUESDAY

The music lovers of the valley are to be favored with a very fine concert which is to be held in the Seneca Hall, Charleroi, on Tuesday, March 1, 1910, given under the auspices of Charleroi Lodge No. 484, B. O. P. Elks. The principals are all well-known performers and come highly recommended, and the people of Charleroi and neighboring towns ought to feel proud that such high class artists are to be here at one time.

Mrs. Charles Farrow Kirby, solo soprano of the Third Presbyterian church, Pittsburg, is already known in Charleroi, where she appeared as soloist with the Connell Male chorus. She delighted a large audience with her magnificent rendition of "O Don Estale," and captivated all from the start with her charming personality and the ease with which she sang.

Mrs. Kimball is well known in her oratorio and recital work, having appeared with all the prominent choral societies of the country. Miss Christine Miller, contralto, is probably better known to the people of Pennsylvania than any other singer, being a Pittsburg. She has been solo contralto at the Third Presbyterian church, Pittsburg, for the past eight years, which is quite a record according to the musical critics. She has appeared four times with the Pittsburg orchestra as soloist, both under Victor Herbert and Emil Paur, also with the Minneapolis, Cincinnati, and St. Louis orchestras.

David Stephens, tenor, and John Roberts, basso, will also assist. Mr. Stephens is the well known Welsh tenor of Pittsburg, and Mr. Roberts is equally famous in that city. Joseph Wheeler, violinist, will assist.

BAPTIST YOUNG
PEOPLES' RALLYMeeting at Monessen Largely
Attended by Valley
People.

Missions was the keynote of the second rally of the young people of the Monongahela Valley group of the Baptist church held in Monessen last evening. At the rally representatives were present from Charleroi, Monongahela, Library, Riverview and Monessen.

Charles E. Strubel of Pittsburg, association president of the Baptist Young People's Union, made a somewhat lengthy address on associational progress. A debate on the topic, "Resolved, That foreign missions are more important than home missions" followed. The affirmative was D. C. Whitlatch of Charleroi, and Miss Pearl Kibler of Monongahela, and the negative, Howard E. Evans of Riverview and Miss Susan Phillips. The missionary question from every phase was ably discussed. The judges awarded the decision to the negative. Probably the most interesting feature of the evening was the stereopticon lecture on "Japan," given by Rev. Wallace, pastor of the Monessen church. The society from Monongahela was awarded a pennant for having the largest number of delegates present.

Re-Organized Society

The Woman's Missionary Society of the First Presbyterian church was re-organized yesterday at the home of the pastor, Rev. J. T. Hackett. The following officers were elected: President, Mrs. J. T. Hackett; vice president, Mrs. Mary Mosier; secretary, Miss Helen Woodhall; treasurer, Mrs. Geo. S. Might; corresponding and literary secretary, Miss Ella Wise. The next meeting will be held the last Friday of March at the home of Mrs. U. S. Orange.

Thirty-Nine Accessions.

This week completed the series of revival meetings at which Rev. H. C. Boblitt has been conducting at the Christian church at California. The meetings have attracted great interest and there have been 39 accessions to the church.

Russell.

Nelle, the infant daughter of Mr. and Mrs. Frank Russell of Twilight, died at the home of the parents this morning at 7 o'clock. The funeral will be held this afternoon at 3 o'clock with interment in the Charleroi cemetery.

CHARLEROI MAN BUYS
NEW SHOE STORE IN
DOWN RIVER TOWNAdolph Beigel Adds Braddock
Store to His Already Large
Business.

By the acquisition of the Star Shoe Corner at Braddock this week Adolph Beigel, of Sample Shoe Store fame in Charleroi, and the upper valley, becomes the owner of his third shoe store. For a youth of 23 summers, or winter, rather, this is going some. Adolph's stores and locations are now as follows:

Sample Shoe Store, Charleroi.
Economy Shoe Shop, Monessen.
Star Shoe Corner, Braddock.

Adolph took possession of his new purchase Monday and immediately started a gigantic sale in order to clean out the \$15,000 stock that was in the store when it changed hands. As soon as this is disposed of the store will be remodeled and fitted up with the latest modern shoe appointments, and a much larger stock will be carried.

The Star Shoe Corner is one of Braddock's oldest and best known shoe stores. It is located at the corner of Ninth street and Braddock avenue, the main business streets of the town, and has been doing business for 25 years. It has a large and well established trade, which the hustling business methods of Adolph will no doubt largely increase. It will be under the management of Joe Beigel, a brother of Adolph, but the latter will give it his close personal supervision. While his headquarters are in Charleroi, where his chief bookkeeper transacts the clerical work of all the stores, Adolph divides his time between the three stores as occasion demands.

Adolph's success in the shoe business has been phenomenal, and he attributes it solely to his lavish use of printers' ink, and particularly when applied to the columns of the Mail.

"If I could always realize the same degree of results from every business venture I make as I do from my Mail ads, I would profit a hundred-fold on my investments," said Adolph, while speaking of his business success in this community. In a few months his Star Shoe Corner at Braddock will assume a business appearance that is a distinctive feature of Adolph's chain of shoe stores.

MUCH ANTICIPATION
IN THE OPENING OF
COYLE VAUDEVILLEThat Appeared at Grand
Theatre, Pittsburg, Being
Booked Here.

Much interest centers in the opening of the vaudeville season at the Coyle Theatre next Monday. Since arrangements have been made to devote this popular play house to vaudeville during the coming summer months many favorable comments have been heard, particularly when it was learned that five acts would be given at the popular price of 10 cents, and that some of the ugliest features on the vaudeville circuit would be included in each bill.

Vaudeville is the most popular form of amusement today in the theatrical profession. This is manifested everywhere by nearly all of the popular stars sooner or later going onto the vaudeville stage. The Grand, in Pittsburg, probably catches more Charleroi patronage than any other theatre in Pittsburg, as well as being the record breaker in attendance of any of the Pittsburg theatres. Ray Rush, who has leased the Coyle Theatre for the summer, expects to secure many of the leading attractions that appear at the Grand, and the people of this section will have an opportunity to enjoy good vaudeville and plenty of it right at home.

With two changes a week, and five acts in each change and three performances daily, the best features can be secured. This will be a rare opportunity for the theatre going public of this section, and indications point to record-breaking houses the opening Monday, when three performances will be given, one in the afternoon and two in the evening.

FUNERAL OF LOTT
FISHER ON SUNDAY

The sudden death of Lott M. Fisher from injuries at the Donora Steel works, as announced in yesterday's paper, has been a sad blow to his many friends in Charleroi and other places along the valley. He was a young man of spotless integrity and exemplary habits, and a member of the First Christian church of Charleroi. The funeral services will be held on Sunday afternoon at 2 o'clock, from the late home, conducted by Rev. H. C. Boblitt of Charleroi.

Miss Ellen Clark entertained 30 young friends at the home of her parents, Mr. and Mrs. W. C. Clark on Crest avenue last night, in honor of her 10th birthday. A pleasant evening was spent and refreshments were served.

WILL BEGIN WORK
PREPARATORY TO
ENTERING ACADEMY

James Christy Roberts, the son of Mr. and Mrs. R. A. Roberts, of Crest avenue left this morning for Annapolis, Md., to take up preparatory work for entrance into the Naval Academy to which he was appointed by Congressman J. K. Tener some time ago.

On his journey Christy will stop off at Pittsburg for a brief visit, at Cumberland, Md., to spend a day, and at Washington, D. C., where he will be the guest of Congressman Tener. He anticipates no trouble at all in passing the examinations at Annapolis which admits him as a student. He may not get back home again for two years.

Last evening at the home of Mr. and Mrs. W. S. James on Lincoln avenue and Sixth street a farewell reception was tendered him by the Charleroi Boys Brigade, of which he has been first lieutenant. Addresses were made by Capt. Jelliffe, of the company, by W. S. James and by W. D. Pollock. The members of the brigade were present in uniform.

AGREEMENTS PRESENTED
BY BOROUGH COUNCIL
BY SPECIAL COMMITTEE

The Mail has been requested to print the agreement entered into by the committee of council, and the one from the Fallowfield Milkmen's Association, as presented to council by the former committee. It follows in its entirety:

Charleroi Borough Council, Charleroi, Pa.

Gentlemen: Your committee, Frew, Fries and Frye, met on Feb. 1, Nelson, W. A. Spahr and Joseph Behrens on Wednesday evening, Nov. 10th, at the Fallowfield township voting place and went over the ordinance, section by section, and agreed upon the following changes in the ordinance:

TWO WEEKS
PAY TODAYGood Business Expected for
for Next Week by Char-
leroi Merchants

APPROXIMATED \$200,000

Today the mines in this section had their regular two weeks' pay and a large amount of money approximating \$150,000 to \$200,000 was placed in the hands of employees. This includes an estimate of the pay of the mines from California to Lock No. 4 in the Fourth Pool.

The Charleroi Coal mines had their monthly pay yesterday, while the Henderson, across the river, had their two weeks' pay last week. The Pittsburg Plate Glass works paid yesterday and Macbeth-Evans Chimney factory will disburse their usual weekly pay today. The Imperial plant paid last week.

The heavy pay at this time will mean much business for the merchants of Charleroi tonight and next week. Anticipating a heavy run, they have put their stock in the best shape. Much of the trade from California north to North Charleroi inclusive come to Charleroi, which is recognized as the center.

Several Charleroi people went to McKeesport last evening to view the remains of the late Victor Shearer, formerly of this place. Those who went were Misses Agnes, Jane and Mary Moore, Nelle Tipples and Messrs. George Barnett, Burton Stroud, Charles Stroud, Richard Hill, Jacob Tusher, William Holmes, Eli Hansen, William C. Portney and Jack Ricker.

Birthday Party.

A very pleasant surprise party was given at the home of Mr. and Mrs. Geo. Hott on Oakland avenue Thursday evening in honor of their son's and daughter's Pearl and Earl's 16th birthday. Many games were played and a delightful lunch was served. Everybody reported a good time.

As your committee and the dairymen have reached an agreement upon all matters of dispute between them (the point of disagreement over the health officer being a matter which comes within the jurisdiction of the Charleroi board of health) we hereby recommend that council amend its ordinance No. 21E as above recited.

Tree Planting.

The Monessen Board of Trade has adopted a feature that will be well for all civic and town improvement societies to follow. This is the appointment of a "tree committee," whose duty it is to induce and aid property owners in planting trees about their premises and in public places for the purpose of improving and beautifying the town. No town needs such improvement more than Monessen, and if prompt action is taken along this line a few years hence will note a marked improvement in the appearance and comfort of the town.

In their eagerness to make money the promoters of many new towns lose sight entirely of the esthetic element and make no provision for this feature so essential to home life and public well-being. The dreary and barren surroundings about the coal and industrial towns where a big mine or factory was opened, has much to do with the civic life and morality of the community. Pleasant homes and surroundings are conducive to sobriety and civic advancement, while squalid and uncomfortable environments have the contrary effect. This is the reason why Pennsylvania will be the last State to come into the "dry" column. Being the greatest industrial State in the Union, the material well-being of the people has been lost sight of in the scramble for wealth. With better material surroundings come better moral conditions. Tree planting is a move in the direction of better conditions, and Monessen's

FUNNY SITUATIONS FEATURE OF SHOW

The attraction at the Coyle Theatre this evening will be the High Rollers Burlesque and up to the minute attractions with funny comedians and a chorus of handsome girls who give one of the best shows that has played this house for many a day. The show commences with a farce called "The Imposters," which is a laugh from start to finish. Then comes the olio, composed of several first-class acts, and then the burlesque which is a scream from start to finish. The music in the show is all the latest and most popular songs and with the sprightly chorus to help along the patrons are sure of a good evening's entertainment. As a special attraction Cleo will give her version of the famous Cleopatra dance which created such a sensation at Hammerstein's roof garden in New York last summer.

Boat Yards May Move.

It is rumored that the Marine Ways, the famous and historical boat building yards at Elizabeth, may be moved to McKeesport. The Marine Ways belong to the River Coal company, which also has yards at McKeesport. It is stated that the coal company desires to concentrate its boat repair yards, and that if about ten acres more can be secured along the river front at McKeesport, the yards will be moved there from Elizabeth. They employ from 500 to 1,000 men.

DO IT NOW

Charleroi People Should Not Wait Until It Is Too Late.

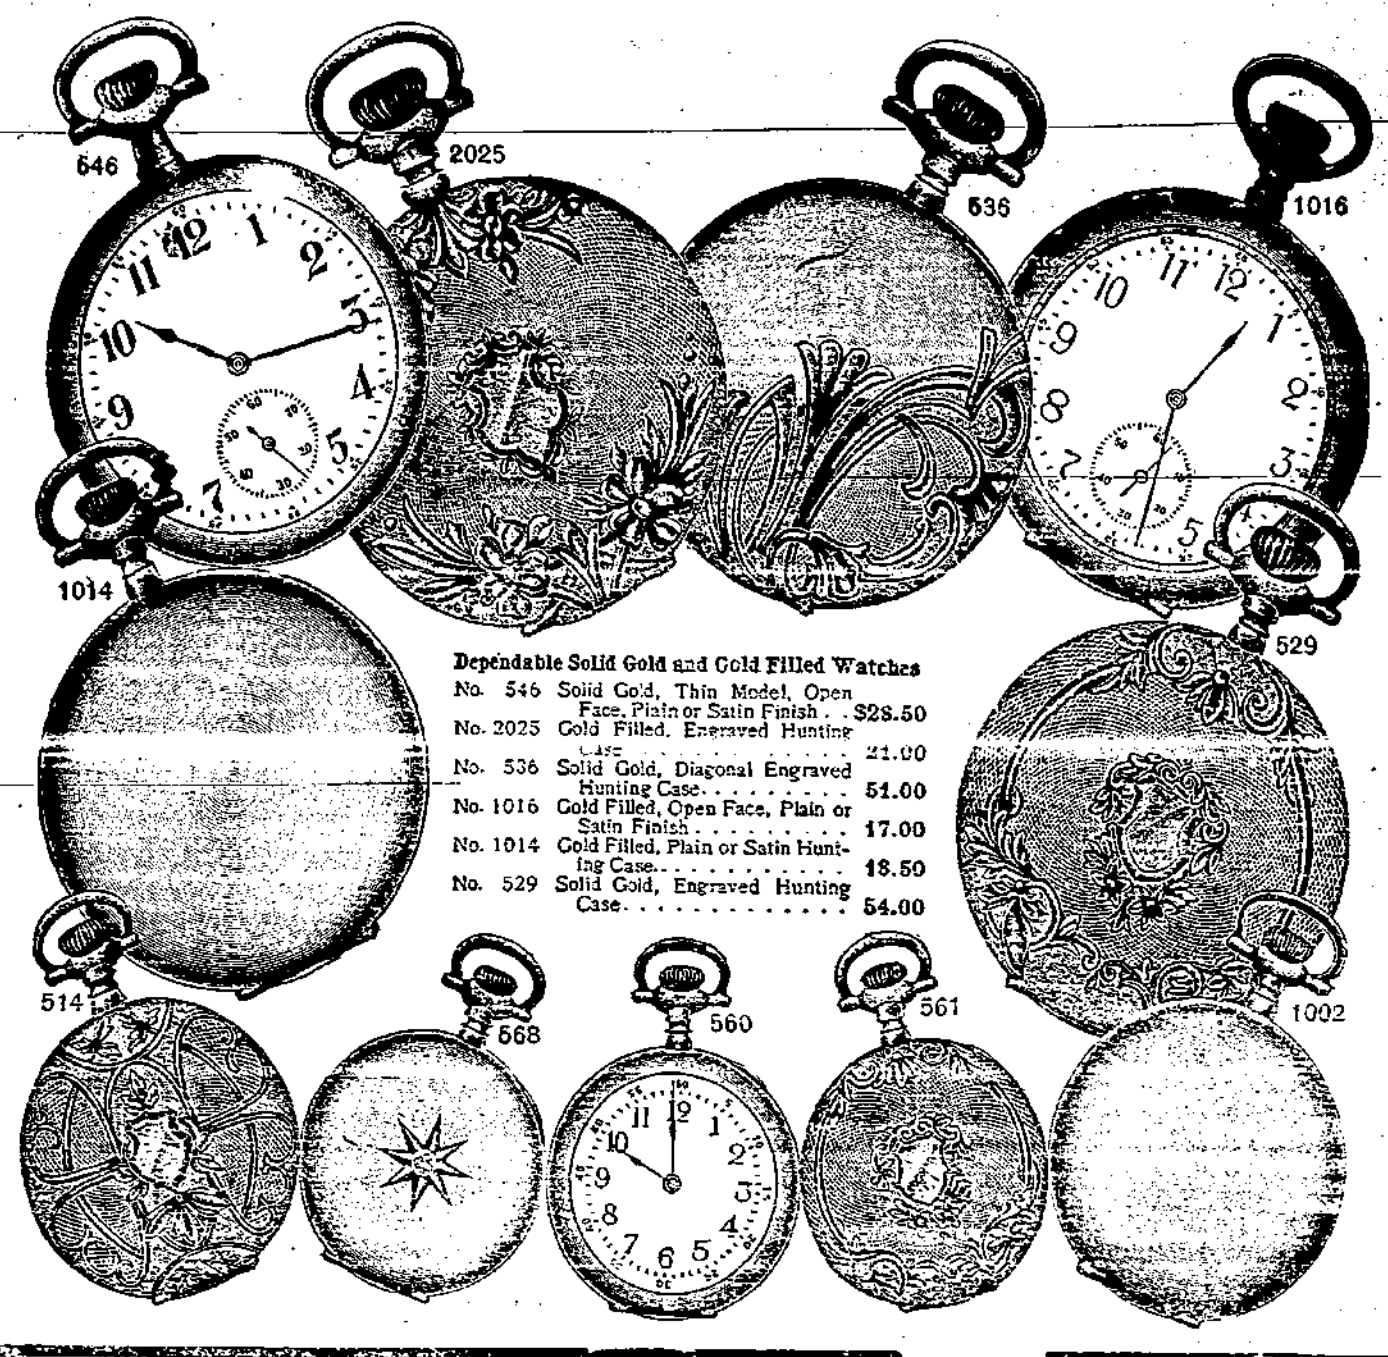

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

A Speedy Cure for

Constipation, Biliousness, Dyspepsia, Indigestion, Liver Complaints, Tired Feeling, Bad Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodline Liver Pills"
act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills, in old and chronic cases of constipation and indigestion, act at once, without griping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, nor produce other cathartic remedies. restore the deranged and torpid liver to its normal condition and healthful action. Remove and prevent constipation by securing a natural and regular operation of the bowels, and relieve those unpleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bowels. To assist in attaining this end, the following suggestions are offered.

REMARKS. Everyone who uses pills for their action on the liver, should know that large doses rarely prove as satisfactory as small ones. Large doses simply purge and pass out of the system, usually leaving the bowels constipated, and seldom removing the cause of the trouble, or improve the general health. On the other hand, small doses develop the alternative effect of the medicine, do not irritate or constipate the bowels, but gently stimulate the liver and prevent the accumulation of bile by directing its flow into the proper channels. Therefore it is advisable to commence by taking not over one or two pills at bed-time and increase dose as necessary.

PORTLAND, ME.
GETTS:—I find your "Bloodline Liver Pills" the most effective pill I ever used. They came on griping or constipative after effect as most liver pills do. Yours truly,
